Now you will see folders that contain the courses that have items developed.
Click on the course you are interested in viewing.

The screenshot shows a web application with a navigation menu on the left and a main content area. The main content area displays a table titled "Teacher Keys Evaluation System".

Type	Name	Modified By
	Foundations of Engineering and Technology Items	blemo@doe.k12.ga.us

An excel spreadsheet will be visible. Click on this document and the information for that course will be accessible. The standards, DOK, type of item, correct answer, rubric and other related information are listed in the excel spreadsheet.

The majority of courses will also have word documents visible. The word documents were created to provide an easier format for copying and pasting items into district assessments.
