Re: Administrative Clarification- Atlanta Unbound Academy

Dear Mr. Green:

On July 31, 2020, the State Charter Schools Commission of Georgia (SCSC) approved Atlanta Unbound Academy, Inc. to operate Atlanta Unbound Academy. Prior to executing the charter contract, the governing board for Atlanta Unbound Academy, Inc. formed a separate Georgia non-profit corporation which now holds 501(c)(3) status, Atlanta Dream Academy, Inc.

Atlanta Dream Academy, Inc. has operated Atlanta Unbound Academy since its charter contract became effective. Atlanta Dream Academy, Inc. applied and has been approved to use the trade name, "Atlanta Unbound Academy." As such, Atlanta Dream Academy, Inc. doing business as Atlanta Unbound Academy requests an administrative clarification to recognize it as the non-profit entity holding the charter for Atlanta Unbound Academy.

Paragraph 35 of the Charter School's contract permits administrative clarification to non-material terms, as determined by the SCSC. Any non-material term of the charter contract may be clarified in writing by SCSC staff. SCSC staff has determined that the requested administrative clarification does not impact the material terms of the charter contract. Therefore, this administrative clarification expressly recognizes that the rights, obligations, and duties of operating Atlanta Unbound Academy are vested in Atlanta Dream Academy, Inc., a Georgia nonprofit corporation doing business as Atlanta Unbound Academy, as the legal entity holding the charter. Except as identified herein, all other terms and conditions of the charter contract shall remain in full force and effect.
