Governance Training In-Person Session (Opportunity 1 of 3)

Operational Schools

Newly Approved Schools/ New Staff

Target Audience: Governing board members and school leaders

November 10, 2021- Callaway Gardens Hotel and Resort

Georgia law, O.C.G.A. § 20-2-2084(f), requires every member of a governing board of a state charter school to participate in annual governing board training. State charter school governing board members may attend one of the three governing board training opportunities provided to state charters by the SCSC at no charge to fulfill this obligation. The SCSC strongly encourages state charter school governing board members to attend one of the governance trainings conducted by the SCSC as these trainings provides board members the unique opportunity to discuss issues and concerns directly with their authorizer. The SCSC staff's unique understanding of the compliance issues facing state charter schools ensures that SCSC training sessions are always topical, relevant, and timely. Topics will include the roles and responsibilities of board members and administrators, the SCSC Comprehensive Performance Framework, school finance, legal obligations, among others.

This year the SCSC will be offering all Governance Training opportunities in two parts. The first will be through a live session which will be held in person and the second will be a live session held virtually. In order to fully participate in SCSC training, board members should plan to attend one of the in-person session dates as well as one of the live virtual sessions.
