

CHARTER AMENDMENT FOR INTERNATIONAL CHARTER SCHOOL OF ATLANTA

This amendment to the charter for International Charter School of Atlanta (“Amendment”) is entered into by and between International Charter School of Atlanta, Inc. and the State Charter Schools Commission of Georgia (“SCSC”) to amend the accountability expectations for International Charter School of Atlanta to incorporate the SCSC Comprehensive Performance Framework as the measure of the International Charter School of Atlanta’s academic, financial, and operational performance for the term of the charter contract.

WHEREAS, International Charter School of Atlanta, Inc. and the SCSC entered into a charter contract on or about September 24, 2014, for the operation of International Charter School of Atlanta (the “Charter Contract”);

WHEREAS, the SCSC adopted the SCSC Comprehensive Performance Framework to provide clear and transparent measures of charter school academic, financial, and operational performance; and

WHEREAS, International Charter School of Atlanta desires to be held accountable for its performance as measured by the SCSC Comprehensive Performance Framework rather than its current contractual performance goals;

NOW THEREFORE, in consideration of the promises, mutual agreements, and covenants contained herein and other good and valuable consideration, the sufficiency of which is hereby acknowledged, International Charter School of Atlanta, Inc. and the SCSC agree as follows:

1. Paragraph 9 of the Charter Contract shall be stricken in its entirety and replaced with the following:

Comprehensive Performance Framework and Performance Expectations.

- a. Incorporation into Charter Contract. The Comprehensive Performance Framework adopted by the SCSC shall be incorporated into the Charter as Exhibit A. The Comprehensive Performance Framework shall supersede and replace any and all assessment measures, educational goals and objectives, financial operations metrics, and organizational performance metrics set forth in the Application and not explicitly incorporated into the Comprehensive Performance Framework or this charter contract. The specific terms, form and requirements of the Comprehensive Performance Framework, including any required indicators, measures, metrics, and targets, are maintained and disseminated by the SCSC and will be binding on the Charter School. Material amendments to the Comprehensive Performance Framework shall require approval by the SCSC and shall be automatically incorporated into this Charter Contract upon SCSC approval without further amendment to the Charter Contract. In the event that such modifications or amendments are required, including modifications to address amended laws, the SCSC will use best efforts to apply expectations for school

performance in a manner as consistent as possible with those set forth in the Comprehensive Performance Framework.

- b. Monitoring and Reporting. In accordance with SCSC Rule 691-2-.03, the SCSC shall monitor the Charter School's progress in relation to the indicators, measures, metrics and targets set out in the Comprehensive Performance Framework, as well as other applicable rules and laws. The SCSC shall publically report the Charter School's achievement and compliance at least annually.
 - c. Performance Expectations. **The Charter School's performance in relation to the indicators, measures, metrics and targets set forth in the Comprehensive Performance Framework shall provide the basis upon which the SCSC will decide whether to renew the Charter School's Charter Contract at the end of the Charter term. This section shall not preclude the SCSC from considering other factors when relevant.**
 - d. Mission Specific Goals. The Charter School shall earn points as set forth in the Comprehensive Performance Framework for meeting the following mission specific goals:
 - i. ICSAtlanta will encourage second language acquisition and cultural fluency.
 1. Measure 1: During each year of the charter term, ninety percent (90%) of ICSAtlanta's students (as measured by attendance), will participate in at least two school-wide cultural events (focused on those cultural experiences relevant to the peoples living in countries that speak one of our four (4) immersion languages (Spanish, German, Mandarin, and French)).
 2. Measure 2: During each year of the charter term, seventy percent (70%) of ICSAtlanta's students who have completed one year at ICSAtlanta, having participated in the full academic-year eighty (80%) or fifty (50%) L2 immersion model, will obtain a Novice-Mid rating in the target language of instruction for listening comprehension proficiency.

2. Except as amended herein, all other terms and conditions of the Charter Contact shall remain in full force and effect.
