

State Charter Schools Commission of Georgia

Who We Are

The State Charter Schools Commission (SCSC) of Georgia is a state agency located in Atlanta, Georgia that operates as an independent authorizer for charter schools. The SCSC was created by the Georgia General Assembly to enable increased school choice options through the development and support of high-quality charter schools throughout the state. The SCSC regularly reviews petitions for new start-up charter schools, in addition to reviewing the academic and overall performance of existing SCSC charter schools to ensure academic and fiscal accountability and legal compliance with the terms of the charter contract. The SCSC also works with charter school petitioners and operators to locate and develop resources and partnership opportunities with community stakeholders.
