

State Charter Schools Commission Spring Internship

Who We Are

The State Charter Schools Commission (SCSC) of Georgia is a state agency located in Atlanta, Georgia that operates as an independent authorizer for charter schools. The SCSC was created by the Georgia General Assembly to enable increased school choice options through the development and support of high quality charter schools throughout the state. The SCSC regularly reviews petitions for new start-up charter schools, in addition to reviewing the academic and overall performance of existing SCSC charter schools to ensure academic and fiscal accountability and legal compliance with the terms of the charter contract. The SCSC also works with charter school petitioners and operators to locate and develop resources and partnership opportunities with community stakeholders.

Who We Need

The SCSC is looking for interns who are currently enrolled in undergraduate or graduate programs relating to education policy, education law, economics or a related field and are interested in learning more about the charter school authorization process. Ideal candidates will demonstrate superior academic performance in their programs of study; interest in and knowledge of the charter school movement; excellent analytical and research skills; and proactive attitudes. Additionally, exceptional candidates will possess superior writing abilities. Interns can expect to gain valuable insight into Georgia government, education law, the charter school movement, educational reform, and the workings of a state agency while simultaneously honing research and writing skills. Interns will also be privy to agency meetings and meetings with external stakeholders.

Interns are paid at a \$12 hourly rate and are expected to work a maximum of 20 hours per week. The internship program will run January 6, 2020 through May 15, 2020. Start-dates and end-dates can be flexible.

Please submit applications via email to darcy.callaway@scsc.georgia.gov. Applications that do not contain all required documents will not be reviewed.

All application materials must be received by December 6, 2019. Interviews will be held on a rolling basis.
