Overview

- The Law
- Site Selection and Approval
- Minimum Square Footage Requirements
- Review of Plans and Specifications
- The Facility and School Registry (FSR)

The Law

20-2-2065: Waiver of provisions of this title; requirements for operating; control and management

(b) In determining whether to approve a charter petition or renew an existing charter, the local board and state board shall ensure that a charter school, or for charter systems, each school within the system, shall be:

(5) Subject to all federal, state, and local rules, regulations, court orders, and statutes relating to civil rights; insurance; *the protection of the physical health and safety of school students, employees and visitors*, conflicting interest transactions; and the prevention of unlawful conduct;

More Law

20-2-260. Capital outlay funds generally.

(a) It is declared to be the policy of the State of Georgia to assure that every public school student shall be housed in a facility which is *structurally sound and well maintained* and which has adequate space and equipment to meet each student's instructional needs as those needs are defined and required by this article.

Facility Site Selection

- <http://www.gadoe.org/Finance-and-Business-Operations/Facilities-Services/Pages/Facilities-Services-Resources.aspx>
- Educational Facility Site
 - Guideline 6: Guideline for Educational Facility Site Selection
 - Guideline 5: Guideline for Risk Hazard Assessment of Educational Facilities
 - Guideline 1: Guideline for compliance with the Standards and Criteria of the National Flood Insurance Program

Site Approval?

- Addresses the health and safety requirement for students, parents, and visitors.
- Is part of the due diligence necessary to ensure a quality financial decision for the school.
- Establishes a site code and facility code
- A facility code is necessary to create a school code
- School code is necessary to access state funds

Site Approval

- Narrow your search to one or two prospects
- Contact the Educational Facilities Consultant for your area for a site visit. Consider minimum acreage requirements.
- Engage an engineering firm to conduct an Environmental Site Assessment (ESA)
 - Phase I Environmental
 - Risk/Hazard Analysis

Site Approval

- Hazards may require mitigations.
- Mitigations must be addressed in design documents.
- Site approval may be contingent upon these factors being satisfactorily addressed.

Minimum Square Footage Requirements

- Guideline 4: guideline for Square Footage Requirements for Educational Facilities
 - Classrooms
 - Media Centers
 - Cafeterias and Kitchens
 - Career Technical Agricultural Education (CTAE)
 - Corridors
 - Number of Toilets/Fixtures

Review of Plans and Specifications

- Guideline 3: Guideline for Submission of Documents for Review of Planning, Bidding, and Construction of Educational Facilities
 - Preliminary
 - Check set
 - Final
- The construction delivery method may impact the schedule of submission.

Request for Variance

- Minimum acreage
- Minimum square footage for certain programs
- CTAE Lab Requirements
- Others

The Facility and School Registry (FSR)

- The way GaDOE collects, reports and maintains data
 - Site Codes
 - Facility Codes
 - School Codes
 - Program Codes
- Contact Dr. Mike Campbell for information and assistance: (404)-656-2454
