

CCRPI Interactive Workshop for State Charter Schools

July 28, 2016, 9 a.m.

Georgia Department of Early Care and Learning Conference Room
East Twin Tower, Room 854, Atlanta, Georgia 30334

- 8:30 a.m. **Registration**
- 9:00 a.m. **CCRPI Components, Calculations, and Data Sources**
This session will review the CCRPI components and calculations. Schools will walk through the process of replicating calculations using data downloads from the secure MyGaDOE portal and formulas provided in CCRPI Data Calculation Guides. Laptops and MyGaDOE passwords are crucial, so that teams can actually view student data. This session will also outline data sources utilized for each indicator of CCRPI. The processes for collecting data will be explained as a segue to the afternoon session.
Paula Swartzberg, Accountability Specialist, Georgia Department of Education
- 12:00 p.m. **Break for Lunch**
The cafeteria level of the building offers attendees a variety of lunch options available for purchase.
- 1:00 p.m. **Ensuring Accurate Data for CCRPI**
This session will explain how data collected through Data Collections is used to support CCRPI. Included is a brief overview of pertinent data from FTE, Student Record, and the End of Pathway Assessments collections. The session will also explain the reporting process and what happens to the data once it is received at GaDOE.
Wanda Jones, Information Systems Manager, Georgia Department of Education
- 2:00 p.m. **Using CCRPI to Improve School Performance**
This session will focus on Progress and Gap scores and the insights they provide a Leadership Team and individual classroom teacher. Key questions can be addressed using these two unique measures. Are our remedial efforts working? Are we headed in the right direction? What is our weakest link? Where are our strengths? Which domains by Milestone should we focus on? Are we challenging our advanced students? How does information in SLDS help us dig deeper in CCRPI? Is there a way to compare scores over the years when the test and format continues to change? How are all the scores related?
Charles Price, School Effectiveness Specialist, Georgia Department of Education
Terri Gaspierik, District Effectiveness Specialist, Georgia Department of Education
- 4:30 p.m. **Conclusion**
