

State Charter Schools Commission of Georgia

Staff Recommendation for the 2014 Petition Cycle August 27, 2014

School: Cirrus Academy Charter School

Attendance Zone: Statewide

Grade Levels: K-12

Staff Recommendation: The proposed school must provide **additional information** before staff can recommend approval or denial. Accordingly, the SCSC need not take official action on this petition at this time.

Items Requested from Petitioner:

1. A written description stating specifically how the school will utilize its statewide attendance zone to target and enroll students residing outside of Bibb County;
2. A written description identifying the specific fundraising (monetary and in-kind) the school projects as necessary to support its core functions;
3. A revised budget, utilizing the SCSC Budget Template, that accounts for changes in the facility plan made subsequent to the submission of the petition.
