 - b. Annual Measureable Objectives: In defining Adequate Yearly Progress, each state sets the minimum levels of improvement, based on student performance on state standardized tests, that school districts and schools must achieve within time frames specified in law in order to meet the 100% proficiency goal under No Child Left Behind. These levels of improvement are known as Annual Measureable Objectives (AMOs), and they ensure that all student groups, schools, school districts, and the State as a whole reach the 100% proficiency goal by 2013-2014, subject to any amendment, waiver or reauthorization of NCLB.

GEORGIA CYBER ACADEMY

- c. Elementary and Secondary Education Act as Amended (ESEA as Amended): the federal education statute, originally passed by the U.S. Congress in 1965, that defines the role of the federal government in public education and authorizes many of the major federal education programs, including Title I. This Act was reauthorized by Congress in 2001 as the No Child Left Behind Act.
- d. Criterion-Referenced Competency Tests (CRCT): The Criterion-Referenced Competency Tests are state-required tests to measure student acquisition of the knowledge and skills set forth in the state curriculum. Georgia law requires that these tests be administered to students in grades three through eight in the content areas of reading, English/Language Arts, and Mathematics, and in grades three through eight in Science and Social Studies.

In the event the Charter School fails to comply with any material provision set forth in this Charter that requires compliance prior to the opening of the Charter School, the opening may be suspended until a time after all requirements have been fulfilled by the Charter School as determined by the Commission. - a. Renewal. The Charter may be renewed by agreement of the parties following the procedures set forth in the Charter Schools Act and accompanying Commission Rule.
 - b. Non-Renewal. Any grounds for termination stated in Section 24(c) above also may be grounds for non-renewal. In addition, the Commission may elect not to renew the Charter if the petition for renewal does not comply with the Charter Schools Act and the rules, regulations, policies, and procedures promulgated in accordance with the Charter Schools Act or if the Commission deems that the Charter School has not sufficiently increased student achievement or is no longer in the public interest.
 - c. Probationary Term. In the event the Commission determines that the Charter School has failed to comply with any provision of this Charter, the Commission may elect to grant a renewal for a probationary term, within which term the Charter School must come into compliance satisfactory to the Commission.

The Charter School agree to indemnify, defend and hold harmless the Department, the Commission, and the State Board, their officials, officers, employees, agents, volunteers, and assigns (all of whom hereinafter may collectively be referred to as "Indemnitees"), from any and all claims, demands, suits, actions, legal or administrative proceedings, losses, liabilities, costs, interest, and damages of every kind and description, including any attorneys' fees and/or litigation and investigative expenses, for bodily injury, personal injury, (including but not limited to the Charter School's employees), patent, copyright,

or infringement on any intellectual property rights, or loss or destruction of property (including loss of use, damage or destruction of Indemnatee owned property) to the extent that any such claim or suit was caused by, arose out of, or contributed to, in whole or in part, by reason of any act, omission, professional error, fault, mistake, or negligence whether active, passive or imputed, of the Charter School, their employees, agents, representatives, or subcontractors, their employees, agents, or representatives in connection with or incidental to their performance of this Charter regardless of whether such liability, claim, damage, loss, cost or expense is caused in part by an Indemnatee.

- b. The Charter School shall be excused from their indemnification obligations above: (a) If the claims, demands, suits, actions, proceedings, losses, liabilities arise solely and exclusively out of the negligence of the Indemnatee seeking indemnification; or (b) If the Indemnatee fails to (i) provide written notice of the third party claim or suit within a reasonable time, (ii) cooperate with reasonable requests of the Charter School related to the indemnification; or (iii) assist the Charter School with the defense of such claim or suit.
 - c. The Charter School's obligations to indemnify any Indemnatee shall survive the completion, expiration, or termination of this Agreement for any reason throughout the statutory limitation period of time within which the third party has the legal right to seek recovery from the Indemnatee.
29. Non-Agency. The parties expressly acknowledge and agree that the Charter School is not acting as the agent of the State Board, Department, or Commission except as required by law or this Charter. The Charter School acknowledges that it is without authority to, and will not, extend the faith and credit of the State Board or the Department or Commission to any third party.
30. Delegation. The parties acknowledge and agree that the functions and powers of each party may be exercised only by each party and may not be delegated to a third party without written agreement by the parties.
31. Application of Amended Law. This Charter is subject to applicable federal and state laws, rules and regulations and shall be deemed amended to reflect applicable changes to those laws upon the effective date of any such change.

- 34. Contradicting or Conflicting Provisions. If any provision of the Charter is determined to contradict or conflict with any other provision of the Charter, the contradiction or conflict shall be resolved in favor of the broad flexibility guaranteed pursuant to O.C.G.A. § 20-2-2065 *et seq.*

Any action brought by one party to this Charter against another party shall be brought in the Superior Court of Fulton County.
- 36. Entire Agreement. This Charter sets forth the entire agreement between the Petitioner, and the Commission with respect to the subject matter of this Charter. All prior contracts, representations, statements, negotiations, understandings, and undertakings between the Petitioner and the Commission are superseded by this Charter.
