## A. Purpose

Pursuant to federal regulations (34 C.F.R. § 74.34) the State Charter Schools Commission of Georgia (SCSC) on behalf of the Georgia Department of Education (GaDOE) must redistribute assets purchased by Scholars Academy Charter School using federal Charter School Program (CSP) grant funding following the school's closure at the conclusion of the 2014 Fiscal Year. This application process is designed to ensure that the assets are distributed in the manner most prudent with regard to the academic and financial needs of Georgia's public charter schools.

## B. Applicants

**This application is only for charter schools that are operating in Georgia in the 2014-2015 school year or have a charter approved by the State Board of Education to operate in the 2015-2016 school year by the application deadline.** This includes state charter schools authorized by the SCSC and charter schools authorized by local boards of education and the State Board of Education. All eligible charter schools are encouraged to apply, however, assets will be redistributed to schools in the following priorities:

1. State Charter Schools
2. Charter Schools with a current CSP award;
3. Charter Schools that received a past CSP award; and
4. Other Charter Schools in Georgia.

Assets will be distributed based on the above priorities and need as established by the applicant in this application. The SCSC will evaluate an applicant's need based on the length of the school's operation, plans for addition or expansion of the school, and other resources available to the school.
