THE FUNDAMENTALS
Who Owns the School?

- The Board is not the owner....
  The PUBLIC - parents, teachers, students, management, vendors, and the immediate community are the “owners”

- What do the owners (PUBLIC) expect?
  The Board’s primary responsibility is to be STEWARDS OF THE PUBLIC’S INTEREST & TRUST
Governing Board Duties...

- Creates and supports a clear mission, vision, and performance objectives
- Establishes an accountability plan
  - Educational program
  - Fiscal Viability
  - Compliance
- Reviews and maintains By-laws and establishes policies consistent with the mission
- Is accountable for fiscal health including capital assets, operating budgets, fundraising, and endowments
- Hires, supports, manages, develops, and assesses the school leader
- Evaluates itself annually and develops itself through orientation, ongoing education, and leadership succession planning
- Establishes strategic plans
Governing Board Duties...

- Keeps full and accurate records of meetings, committees, and policies and follows Sunshine Laws
- Ensures all members are actively involved in the work of the board and committees
- Assures compliance with laws, regulations, and minimizes exposure
- Maintains a results dashboard and uses for monitoring
- Ensures effective organizational planning
- Ensures adequate resources are in place to execute the schools programs with fidelity
- Manages resources effectively
- Enhances the charter school’s public image and leverages image to build support and resources
Individual Member Duties...

- Supports and promotes the school’s mission and vision

- Attends meetings consistently, is well prepared and fully participates in all matters
- Does not become involved in specific management, personnel, or curricular issues
- Accepts and supports board decisions
- Respects board confidentiality
- Guards against conflict of interest, whether business or personal – takes care to separate interests of the school from specific needs of a child or constituency
- Supports the school head and demonstrate support in the community
- Is vested in the board as a whole and reports issues to the school leader or whole board (doesn’t deal with individually)
- Contributes to the overall school program, including financial support and active involvement in annual and capital giving
- Accepts fiduciary responsibility
Reflect on Current Practice

- Consider the “Fundamentals” presented thus far. What are your board’s strengths and weaknesses in terms of the following?

  - Supporting and monitoring the mission
  - Developing an accountability plan
  - Systematic review of by-laws
  - Policy development and enforcement
  - Fiscal health monitoring and status
  - Oversight processes for the school leader
1. **Duty of Care** - Duty of care means that a board member must exercise reasonable care when making a decision as a steward of the charter school.

- Active participation
- Committees
- Board actions
- In the best interests of the organization & students
- With prudence
- Devote time, attention, and resources necessary to fulfill director obligations
- Meeting minutes (accurate record keeping and transparency)
- Protecting organizational property
- Resource development
- Investigations (warnings/grievances)

- Set aside personal or conflicting interests
- Have a written policy to avoid conflicts
- Act solely in the best interest of the organization
- Avoid self-dealing
- Compliance with governing documents (by-laws)

- Ensure compliance with state and federal statutes
- Filing requirements (990), annual report, audit
- Obey all laws, rules, and regulations pertaining to charter schools
- Act in furtherance of the organization’s charitable purposes (education)
Accountability of Boards

- **Market Accountability**
  - As schools of “choice”, a market is created
  - Funding is dependent on needs of the market being met and **sustaining enrollment and a competent staff**
  - Key questions when making board level decisions…
    - How will this impact our enrollment?
    - How will this impact staff morale?

- **How to stay accountable to the market?**
  1. Make informed policy
  2. Create strategy that forwards the school’s mission and aligns with stakeholder expectations
  3. Monitor the head of school in executing #1 and #2
Accountability of Boards

**Authorizer Accountability**

- A charter is a PRIVILEGE granted in exchange for accountability for:
  - Measureable student performance at a defined level
  - Proper financial management
  - Complies with applicable state and federal laws

- Failure to meet these expectations can mean revocation of the charter.

**How to stay accountable to the authorizer?**

1. EVERY board member should KNOW and UNDERSTAND your charter performance objectives
2. Cultivate a relationship with your authorizer – be a partner, not a pain
Reflect on Current Practice

- Consider the fiduciary duties presented. What are your board strengths and weaknesses in terms of the following?

  - Duty of Care
  - Duty of Loyalty
  - Duty of Obedience
  - Accountability
GUIDELINES FOR AVOIDING:

★ Being organizationally or personally sued
★ Charter revocation
★ Untold nightmares to unravel and correct that cost:
  - time
  - money
  - energy
  - focus

Conflicts of Interest

Non-Profit board members have an ethical and legal obligation to protect the public interest

- A conflict of interest exists when a conflicting interest is pursued over the interest of the organization’s interest.

- Board members can be held PERSONALLY LIABLE for conflicts of interest – violates fiduciary duty

- Conflicts of interest relates broadly to ethical behavior, not just financial conflicts of interest

- 3 levels of ethical behavior:
  1. Obey the law
  2. Decision making when the right decision is clear and temptation interferes
  3. Decisions requiring a choice among competing options
Avoiding Conflicts of Interest

- **SELF MONITOR**

- **SYSTEM OF CHECKS AND BALANCES**

- **CONFLICTS OF INTEREST POLICY:**
  1. Full disclosure of personal and business connections
     - Annual disclosure kept on file
     - As situations arise
  2. Abstention from discussion, influencing, and voting when conflict or potential conflict exists

Examples of Actual or Potential COI for LEA Charters

- EMO/ESP/CMO representative
- Family members - husband/wife serving
- Vendors to the school
- Board members with relatives in key positions at the school
- Staff
- Parents
  - Set up mechanisms to protect
Georgia Open Meetings Act – Operating in the Sunshine (1)

- **Open Government Guide:**

- Votes taken in violation of the law are void.
Georgia Open Meetings Act – Operating in the Sunshine (4)

- **Notice and Agenda:**

  - 24 hour notice for emergency called meetings must be posted and placed in a local news vehicle (e.g., paper). MUST state the reason for the emergency meeting in the notice.
  - Agendas for meetings should be specific enough to advise the public of the matters expected to come before the board. Matters outside of the agenda can be addressed if they were not anticipated before the meeting by amending the agenda.

- Minutes must be kept of all Board Meetings including members present, description of motion or proposal, record of votes.
Georgia Open Meetings Act – Operating in the Sunshine (5)

- **Minutes:**
  - Summary minutes, final minutes, and executive session (if applicable) minutes are required for every meeting. That includes committee meetings.
  - Final minutes must state what agency members were present, describe each motion, and record all votes.
    - If the vote is not unanimous, the votes of participants must be recorded.

Top Priorities for Boards (4)

Fiscal Health

- Board CAN NOT delegate fiscal responsibility.
- Board MUST NOT count on one individual on the board to entrust financial oversight
- Can monitor fiscal health with financial reports

1. The Balance Sheet
   - Tells you school’s net worth
   - School’s assets should equal (to the penny) the sum of the liabilities and retained earnings
   - Board goal should be to produce positive net worth

2. The Statement of Cash Flow
   - Tells you how much cash you have throughout the course of a year
   - “Without cash, you crash.”

3. The Statement of Income and Expense
   - Shows how much money came into the school and the expenses paid during a given reporting period
   - Line item transactions
   - Helps you monitor whether your monthly expenses are higher than your monthly revenue

4. The Budget vs. Actual Report
   - Use with the Statement of Income and Expense to help monitor how carefully the management is operating the school according to the budget
   - Shows budget compared to what was spent in each category (year to date)

5. Cash Flow Projection (optional)
   - Is a forecasting tool to help you predict what your cash situation will be in the future.
   - Helps to identify potential problems several months or years away.

Adapted from Brian Carpenter, Charter School Board University, 2006
What other factors or operational indicators can have an impact on the fiscal health of the school?
Effective Board Meetings

**Time management**
- Include time estimates on board-meeting agendas
- Start and end on time
- Identify a timekeeper
- Develop a calendar of major board decisions
- Video or audio record meetings
- Vote using consent agendas
- Ensure the Board Chair follows the agenda and manages off task or interruptions

**Staying organized and informed**
- Each board member should receive an agenda and packet of all documents to be reviewed during the meeting, at least **one week prior to the meeting**
- Develop a communication plan for internal and external purposes
- Use dashboards for monitoring charter goals and objectives and other areas
Board Member Orientation and Transition

- Founding to Governing Board
- Succession
- On-boarding
- Selection / Vetting
- Appointing vs. Voting in Members
Essential Board Committees

- **Governance**
  - Board development, succession planning, by-law review, policy development

- **Accountability / Academic Achievement**
  - Monitor academics, instructional quality, curriculum effectiveness

- **Finance / Fundraising**
  - Monthly financial review, budgeting, setting financial policies, resource development

- **Community Outreach**
  - Partnership development and monitoring, awareness

- **Personnel / Executive Committee**
  - Review personnel performance, ratify hiring decisions, ensure due process, termination and employee discipline
Effective Use of Committees

- Set goals and expected outputs
- Set schedule of meetings for the year
- Understand roles & responsibilities
