<b>School:</b>	<b>Byron Peach Charter High School</b>
<b>Attendance Zone:</b>	Peach County Schools
<b>Grade Levels:</b>	9-12
<b>Staff Recommendation:</b>	SCSC staff recommends that the SCSC <b>deny</b> the petition for Byron Peach Charter High School.
<b>Rationale:</b>	The proposed school presented a budget that created financial uncertainty. The proposed budget was heavily reliant on extremely ambitious fundraising goals to keep the school from operating at a deficit. While charter schools are encouraged to conduct fundraising activities to supplement revenue, utilizing donations for general school operations creates a precarious financial position.
